1) Evaluate how your skills have improved:

2) How much time do you spend preparing for this class on a daily basis?

3) Are you meeting your objectives? If not, why not?

4) Which aspects of this course do you consider effective? Please comment on course materials (online syllabus, books, handouts, assignments, daily/weekly quizzes)

5) Which aspects of this course do you consider less effective? Suggestions for improvement?

7) Any other comments about the course? The instructor?
