Performances:

TBA

Day Month Date @ Time

In a non-pandemic semester, you are required to attend one or more performances sponsored by the Theater & Dance Department. As it stands now, there aren't any scheduled this fall. If that changes, I will likely make attendance mandatory.

Otherwise, I will be assigning one or two videos of live performances. More information on this will be provided soon.

Should a live performance be assigned, you will likely need tickets for the event, which are almost always free, and will be available at www.colby.edu/theaterdance, but for now, you don't need to worry about this.

*This schedule is subject to change.
Updated versions will be provided in class (or via email) and supersede any previous edition.*
