

MA 331 HW 12: Go Configure

1. READING

- (1) Read the handout from the Adams-Franzosa book on configuration spaces.
- (2) Read the handout from the Abrams-Ghrist article on configuration spaces. You are not required to understand everything in this article. Pay attention to the role of product spaces and quotient spaces. What interests you most in this article? What parts were clear? What parts were confusing? Write a short paragraph or two summarizing your answers to these questions.

2. PROBLEMS

- (1) Do exercise 3.40 from the Adams-Franzosa handout.
